## MAGIC MONDAYS at The Beach House

The ultimate amalgam of extraordinary experiences packed into one evening - we proudly present Magic Mondays.

Starting with a contemporary interpretation of the spiritual ceremony, created and practiced by the Minoans during the Bronze Age. The purifying blessing with laurel and sage calls on the divine goddess of the sun to relinquish her power and give way to the night.

The evening unfolds whilst our renowned artists and DJs reveal their talent on The Beach House decks. Join us and be a part of the communal feeling that is Magic Mondays at The Beach House.
