

# *Vitamin Infusions*

KĒPOS

BY GOCO

# Vitamin Infusions

Regain energy and boost your immune system through direct intravenous fluid delivery of essential vitamins and minerals. A blended infusion rich in vitamins, minerals and trace elements moves quickly through the bloodstream for maximum absorption.

This therapy is particularly beneficial for immunity support, detoxification, weight management as well as skin, hair and nail health. Infusions are either pre-blended or tailored to your individual requirements. A hair analysis consultation is recommended to fully establish your personal nutritional needs for optimal results.

# Infusion Menu

## Detox

The ultimate detoxification experience is delivered with a powerful blend of amino acids, electrolytes, minerals, vitamins, and antioxidants, to support the repair of cellular damage. Vitamin B complex restores energy production, and stimulates the metabolism process in an infusion which rejuvenates by reducing inflammation on a cellular level.

## Energy Boost

A potent blend of amino acids and B vitamin complex that is designed to restore energy, instill balance and enhance vitality. Supercharge your nervous system and reap the benefits of an energy-boosting detox.

## Immunity

This high-strength, individually curated cocktail developed to support the immune system delivers a powerful blend of antioxidants, minerals, vitamins, and electrolytes to reinforce the body's immunity and encourage optimal health.

## Performance

A select combination of amino acids work to deliver increased stamina, improved focus, and optimize cellular performance, whilst strengthening metabolic functioning and maintaining cardiovascular health.

## Hair & Nails

Get that radiant, healthy glow with a select blend of vitamins and minerals. This infusion is designed to strengthen hair and nail growth and hydrate the skin, through the absorption of Iron and Vitamin B12, calcium gluconate and potassium.

*Infusions are administered in 40-60 minute sessions with rates ranging from 190 to 220€*
